That's the right answer I should give to a major magazine

the editors won't see me as an equal

Even if I make a manga that are just as good as their newcomers,

Even I've already made my debut, what they are asking of me is "the ability to improvise"

It's upsetting, but they're right

It doesn't go far enough

their veteran authors

Even I can see that I'm not as good as

is this phrase

from the work...

I can't see the author's face

Umm... I feel like

But the one that strikes closest to home

You don't put enough of yourself in this

they don't find any messages to take away in their hearts

It means that when readers closely dig deep into the hearts my characters,

They don't mean that I should turn myself into a character

.....
This is what they mean by "you're not putting enough of yourself in it"

That would also require me to dig deep down into my own heart

that I'm a hollow person

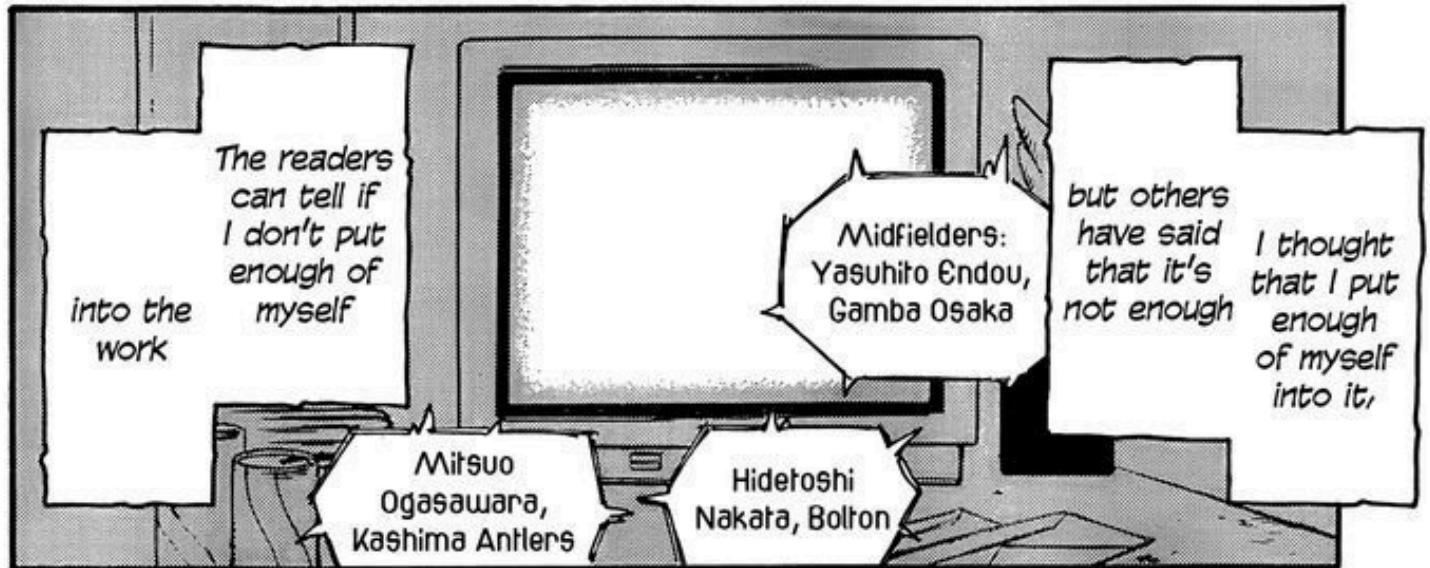

I'm afraid that I'll find out for sure

and that I'm a boring person

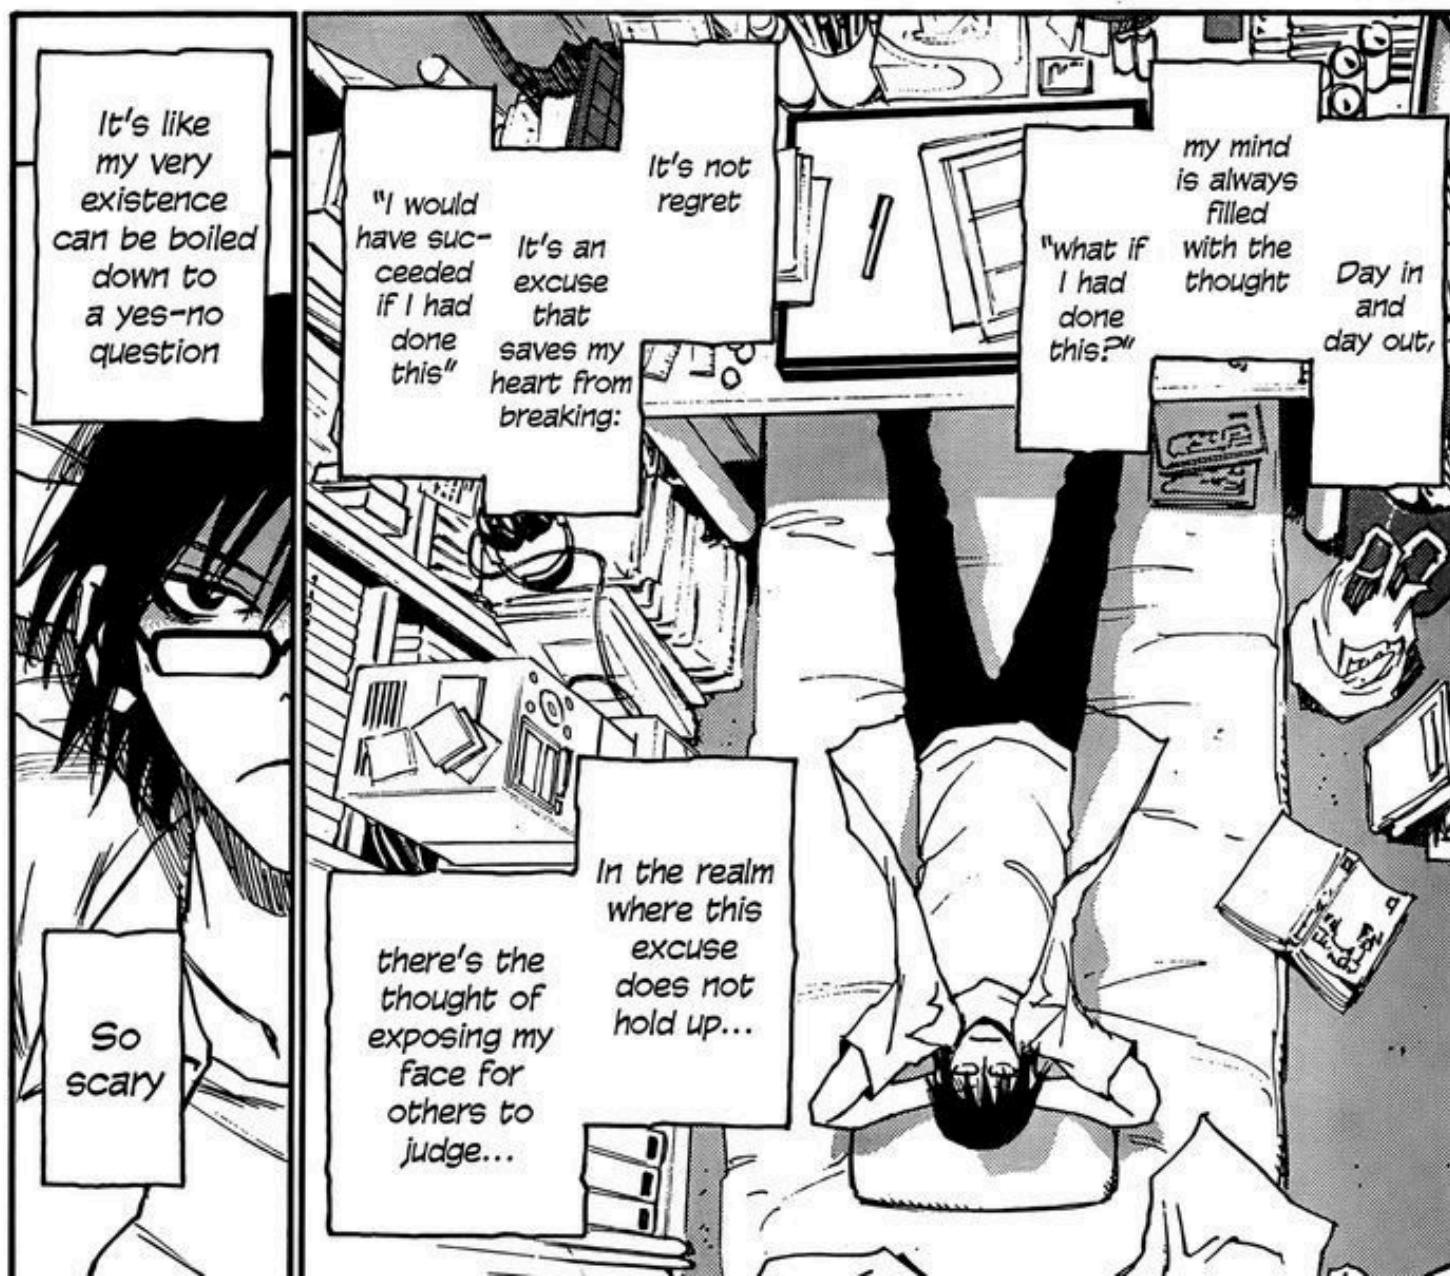

The 2006 FIFA World Cup opens in Germany in 26 days...

I'm afraid

I'm afraid of putting myself on paper

"I can't see the face of the author"

but even
on boring,
normal
days,

there's
always
"something"
that happens
around them

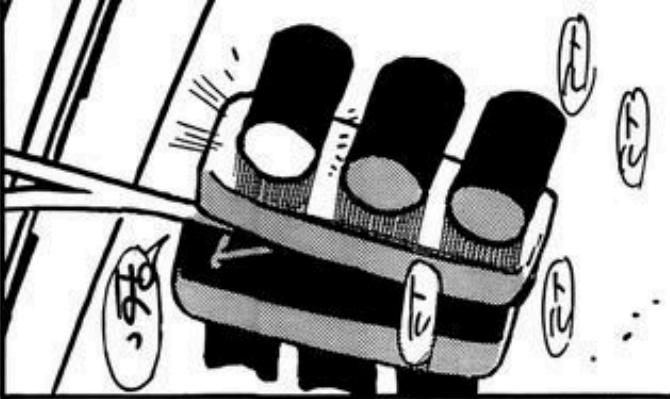

No one
ever
notices,

At least
make a joke
that people
can get...

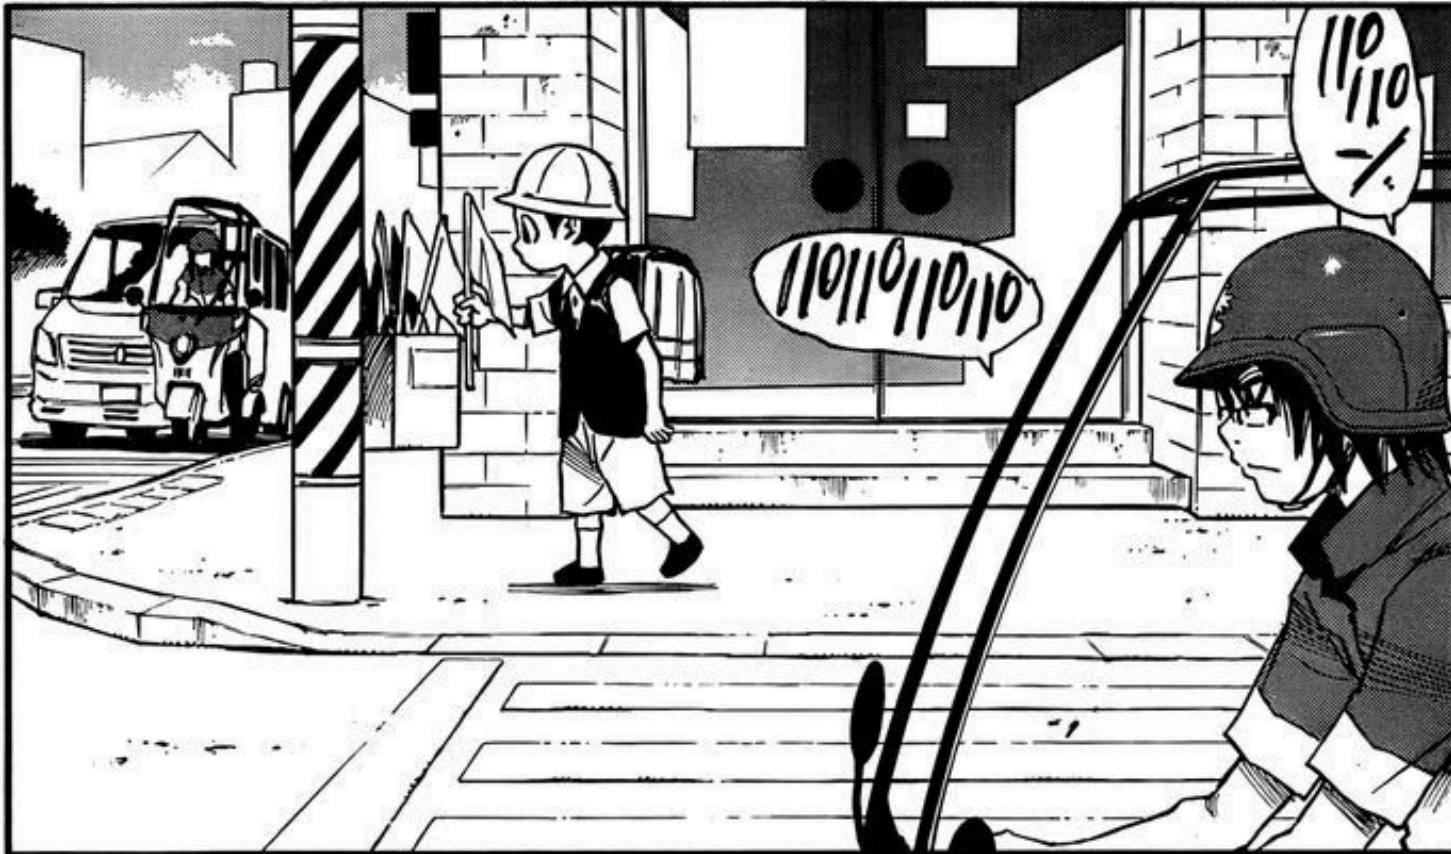

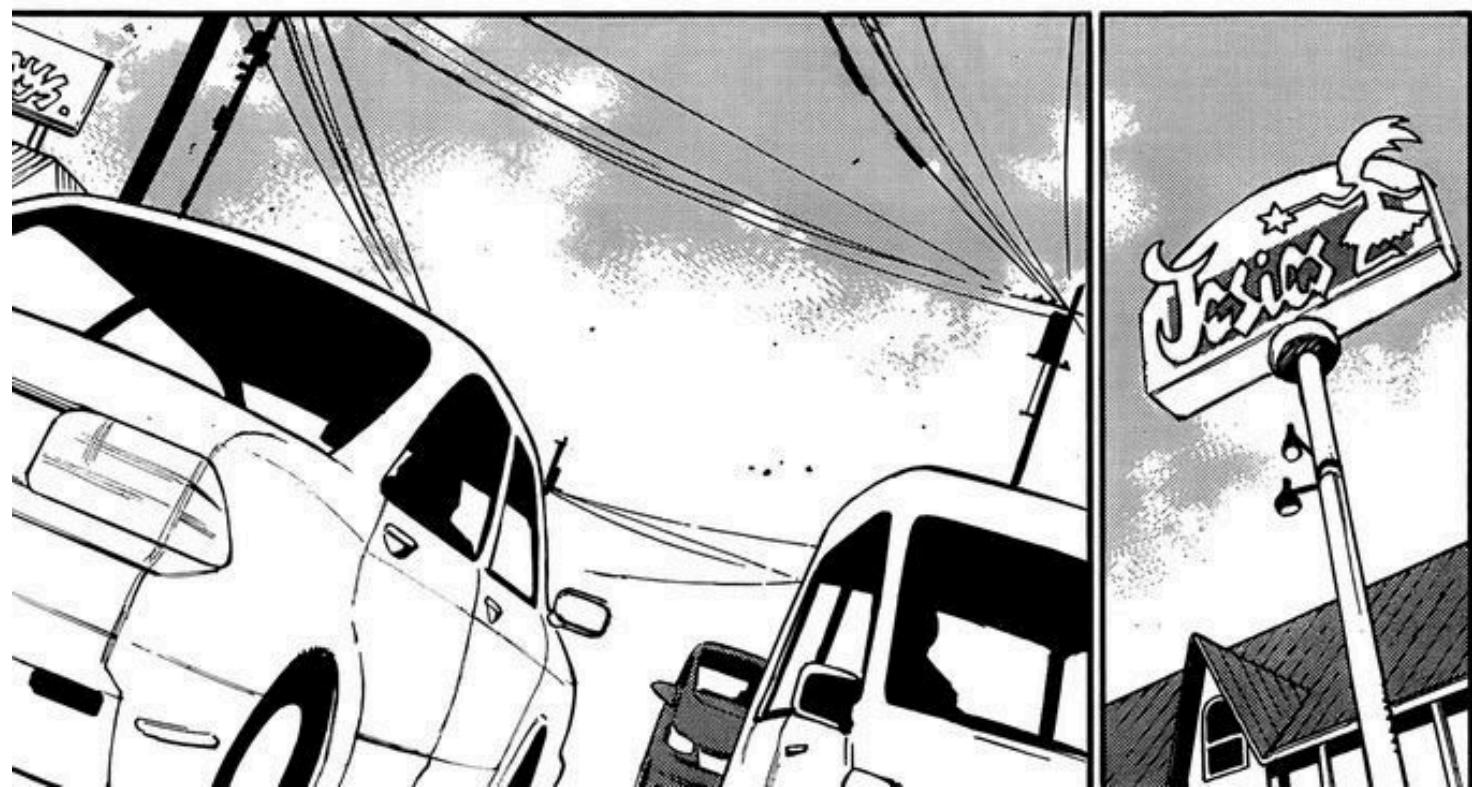

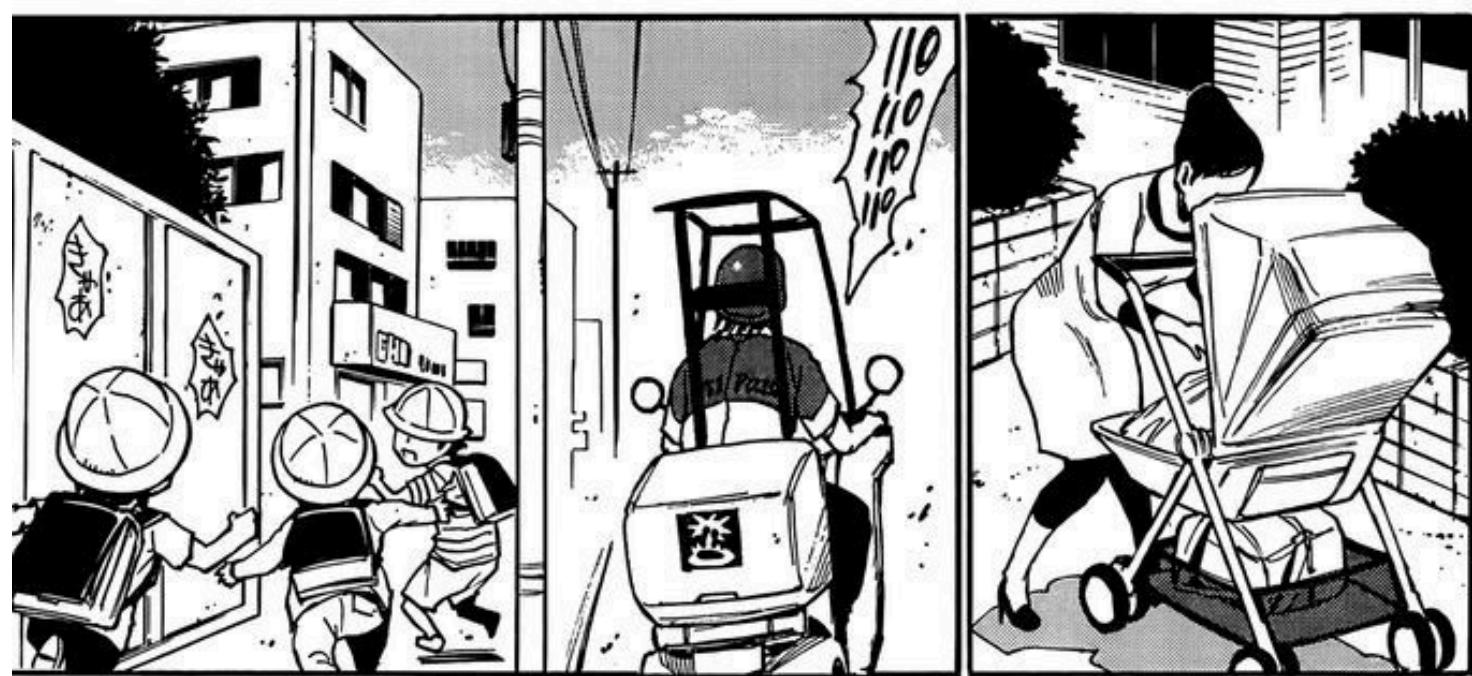

I'm still on
the clock,
dammit

...Damn,
I was
thinking of
manga again

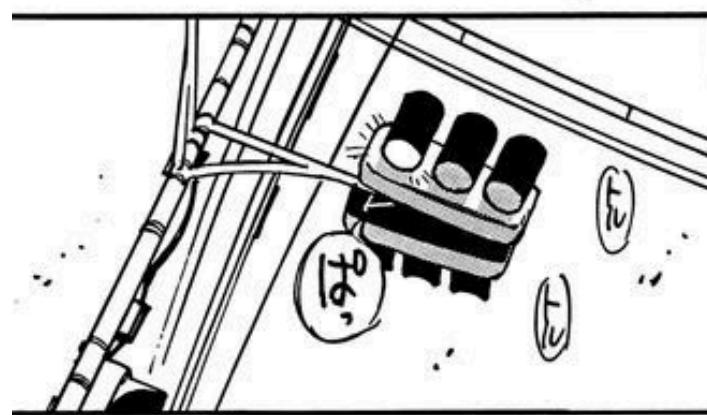

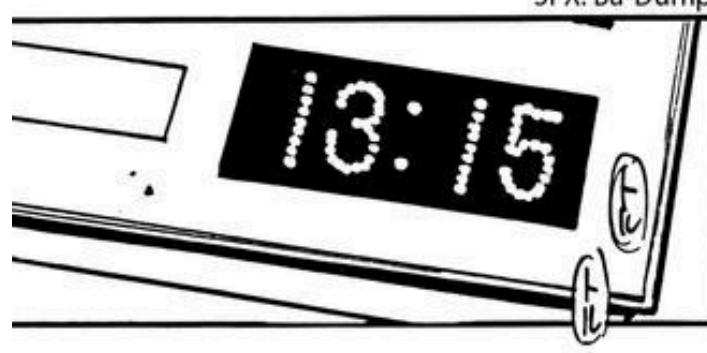

Note: In some areas of Japan, elementary school students use flags to cross the road. Ex: <http://flic.kr/p/bC127P>

"That" is happening again!

No doubt about it

...I
don't
want
to get
involved,

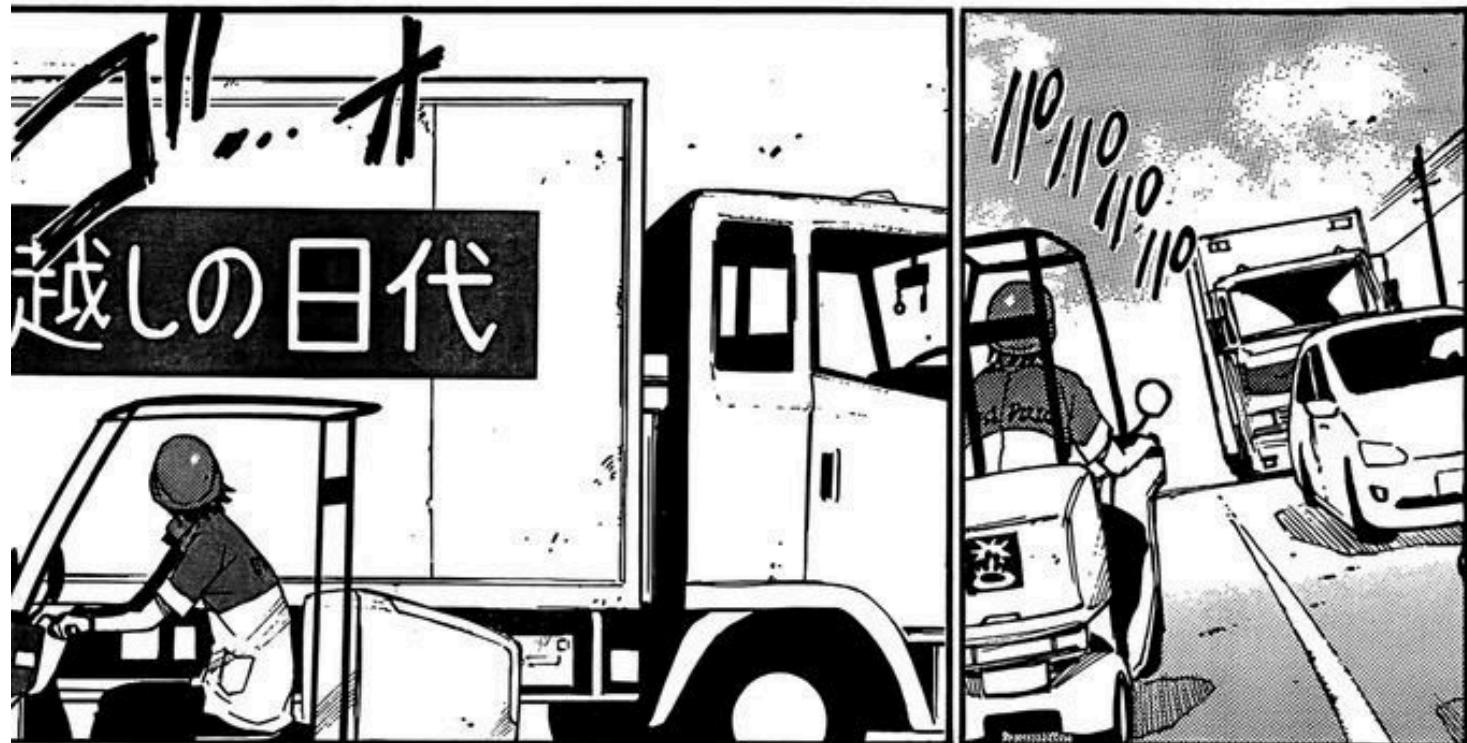

but I have
to look
for it

しの日代

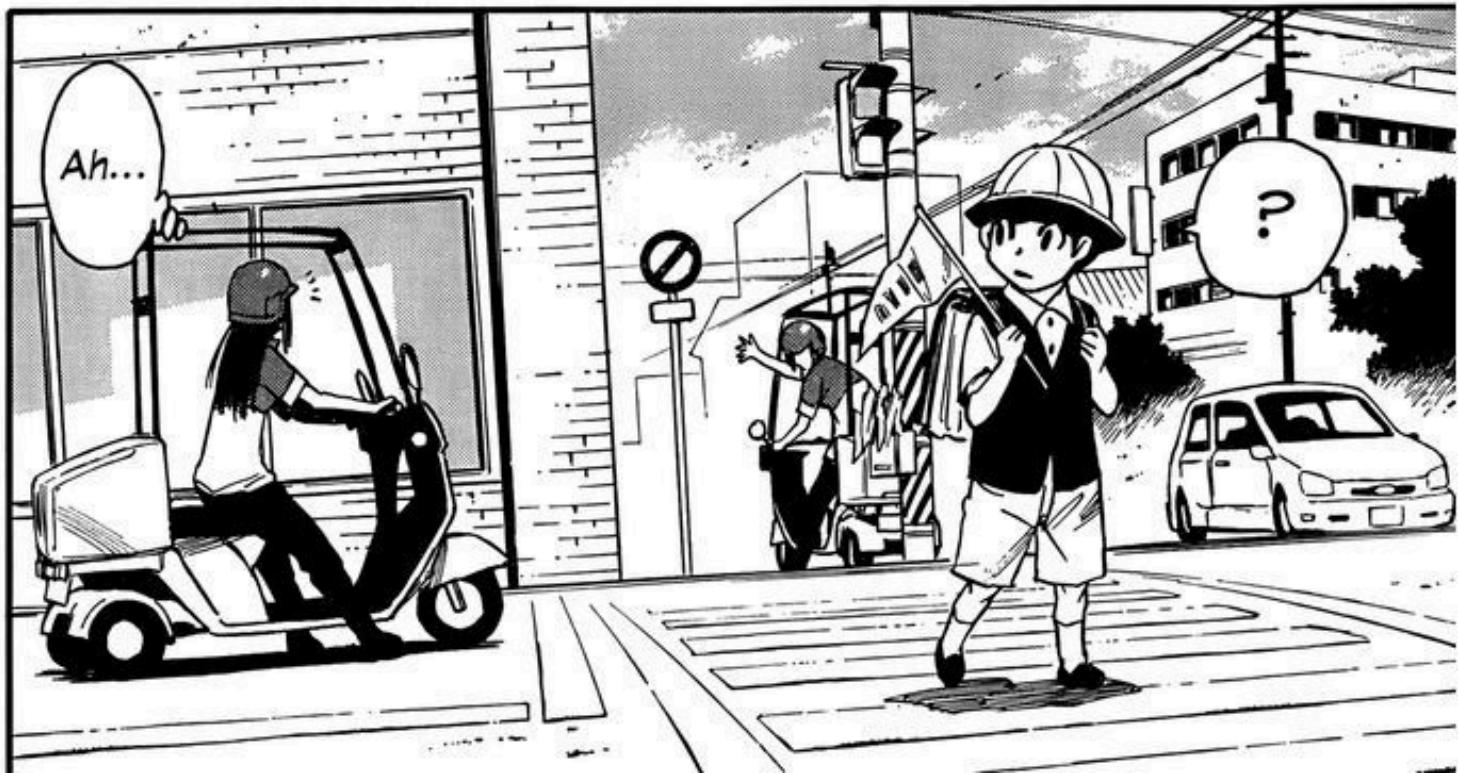

I need
to get it

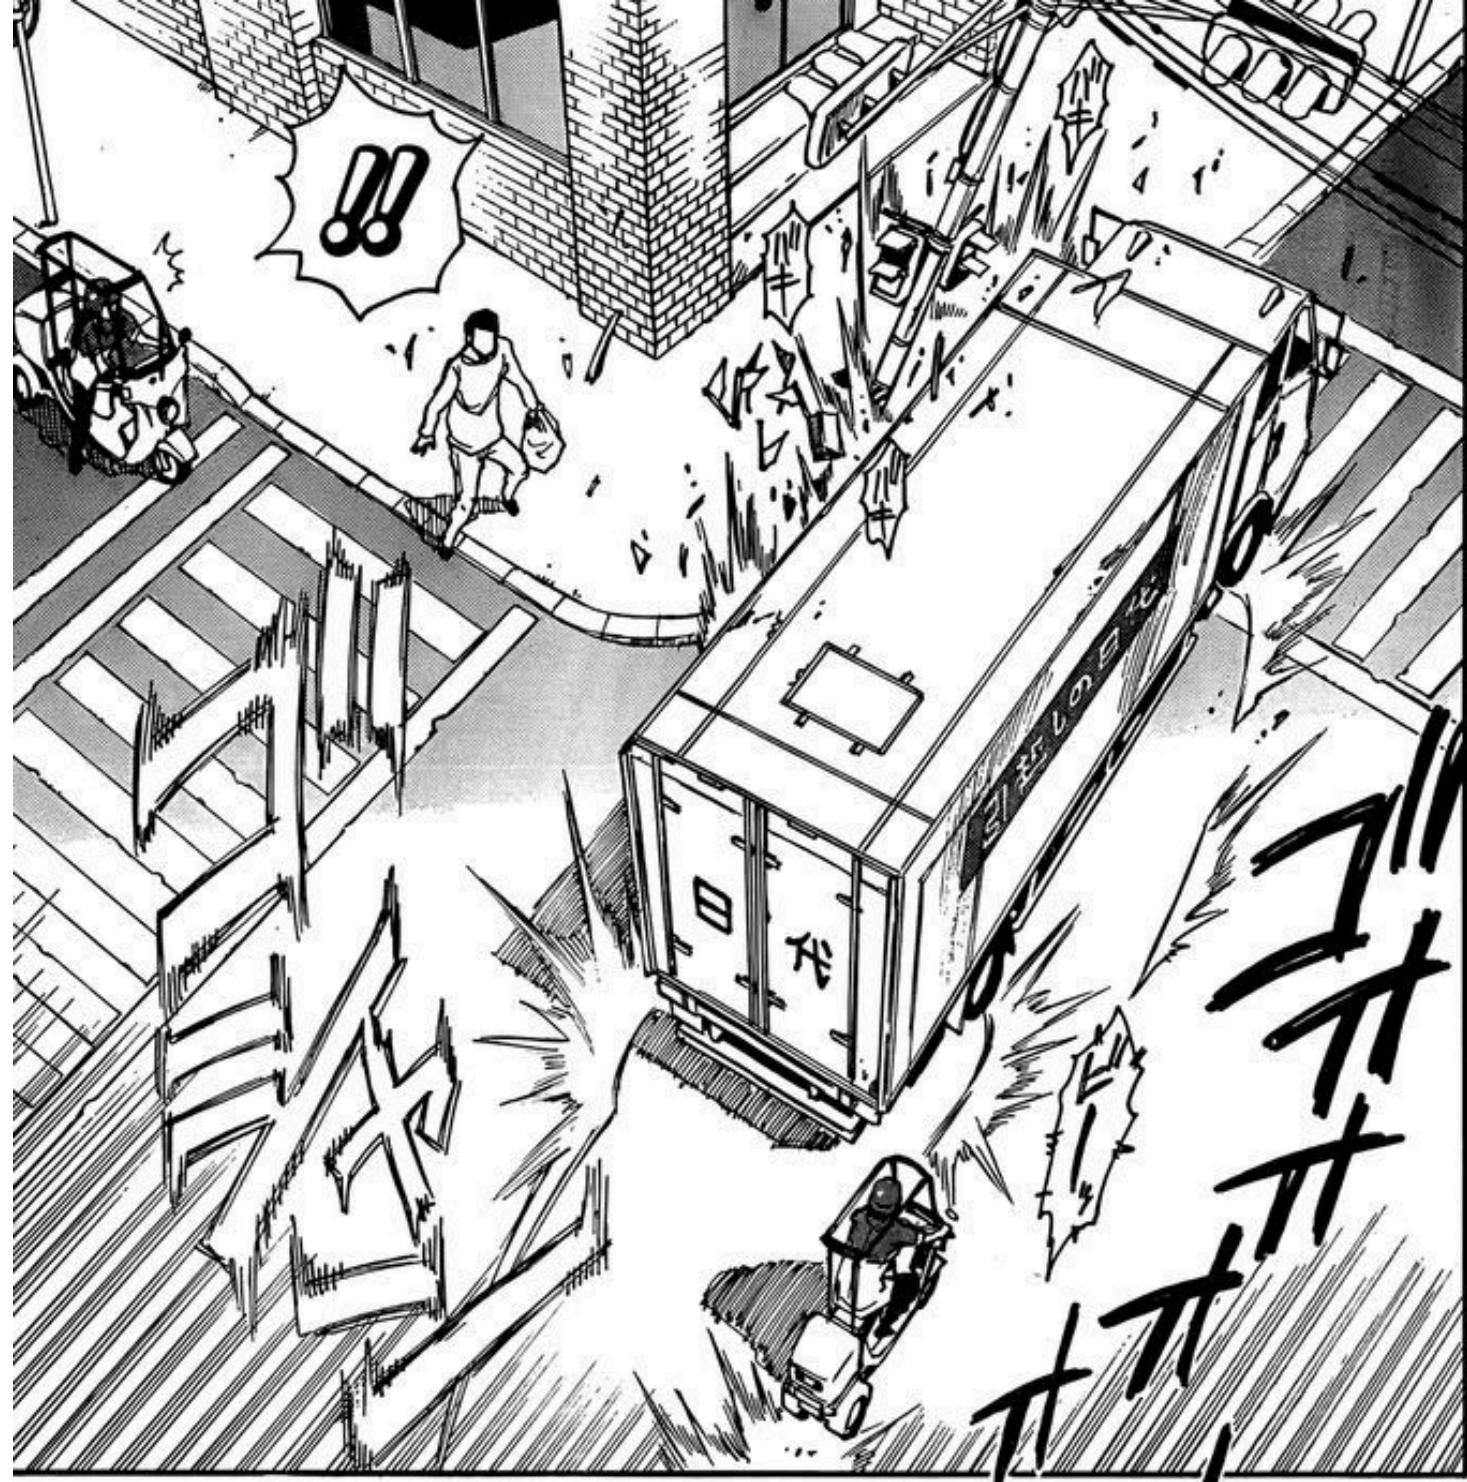

Got
it!

There
it is...

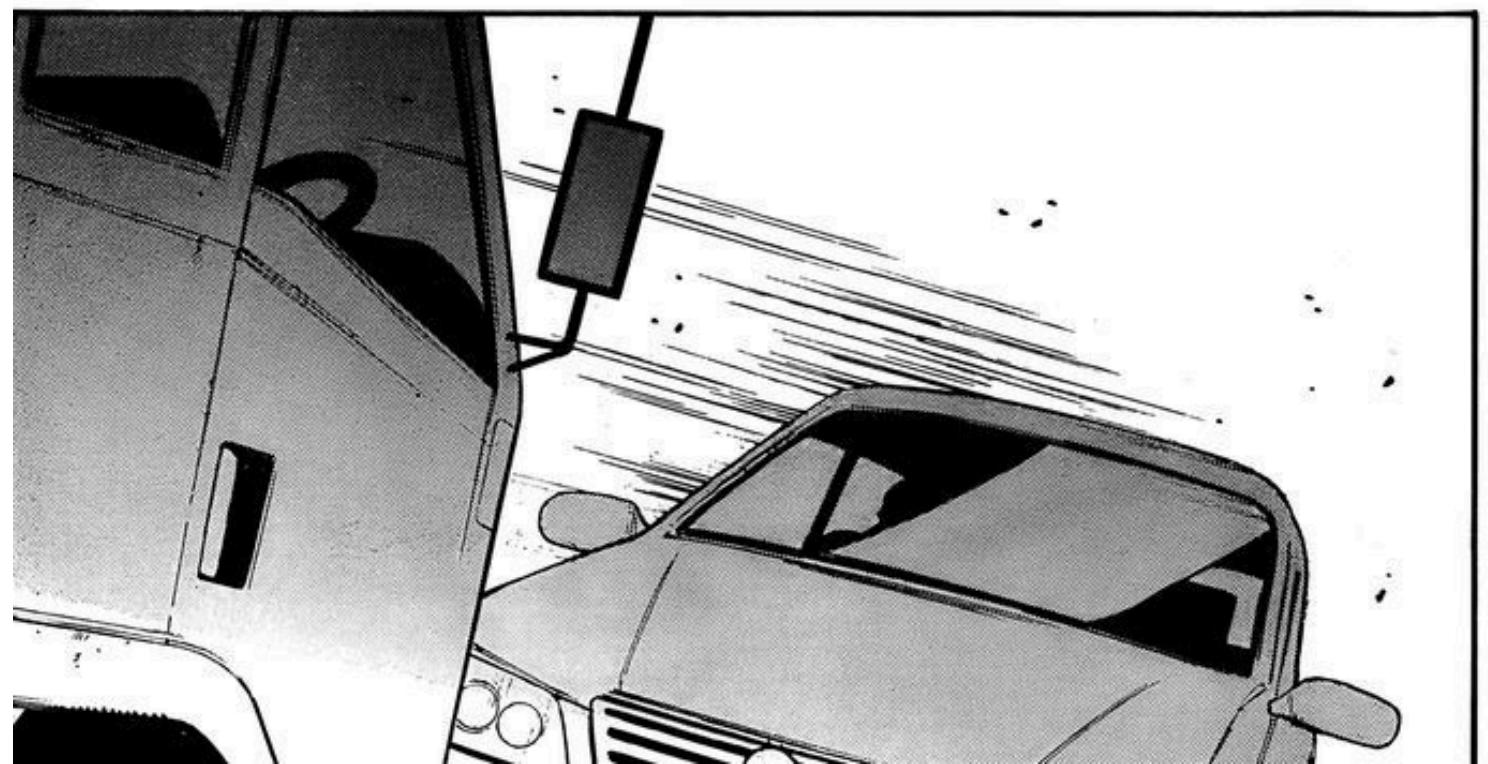

BUT...

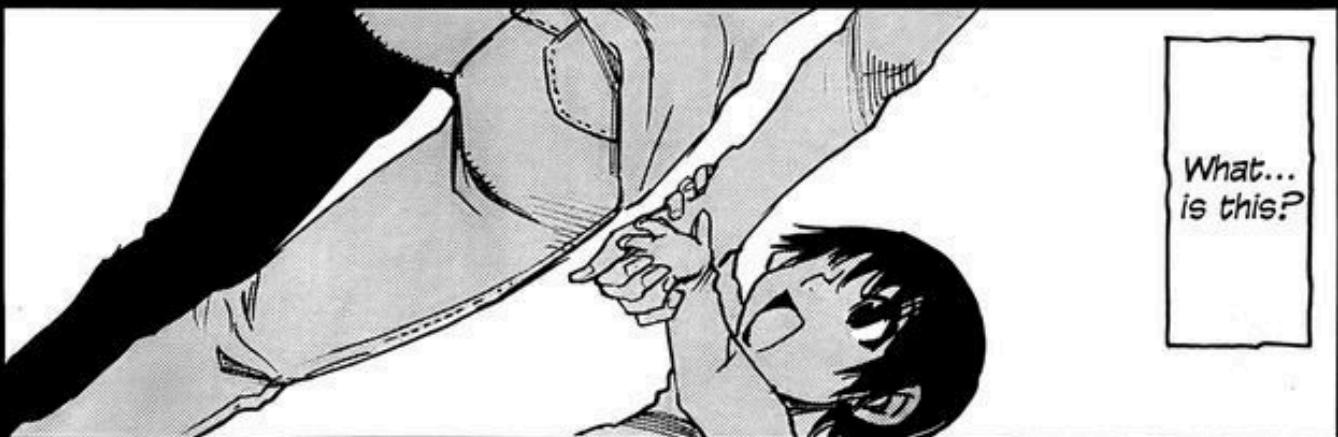

...BUT

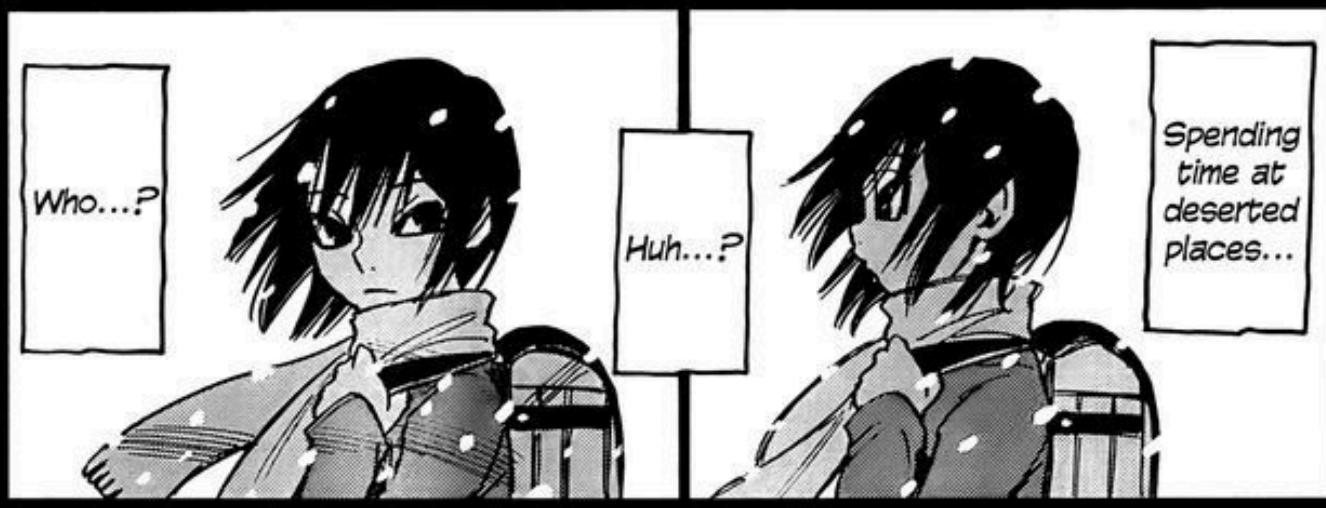

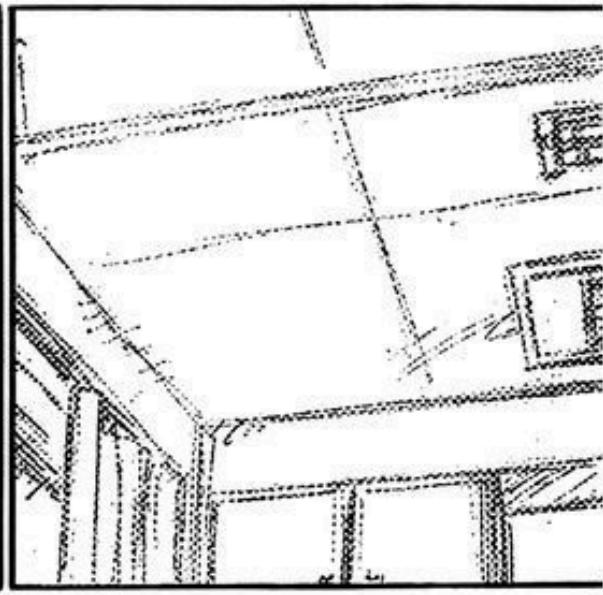

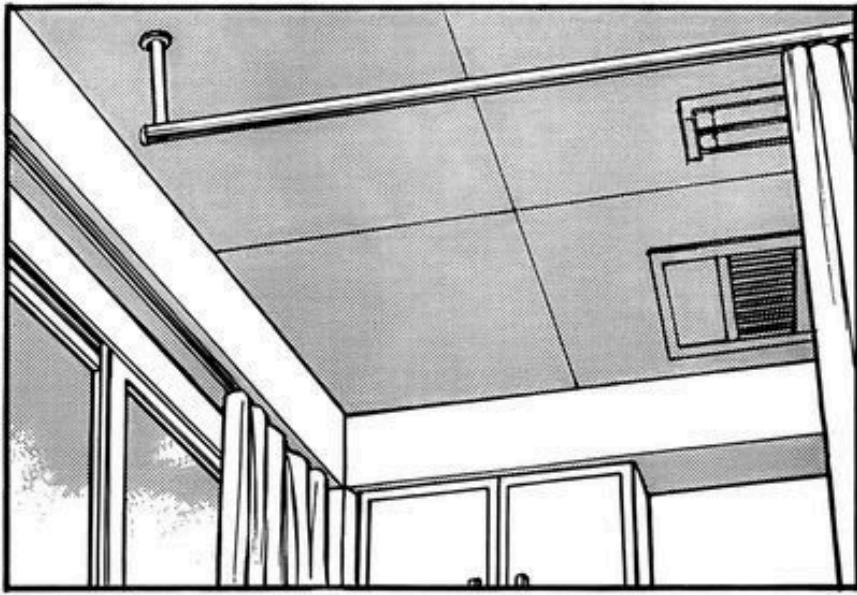

Good morning,
Mr.
Fujinuma

Got into an
accident...
while chasing
a truck

...Satoru
Fujinuma,
28...

...Kata-
giri...?

It's been
two
days!

you
almost
had no
injuries
at all!

It's a
miracle
that

Great!

Do you
know who
you are
and why
you're in the
hospital?

Yep.
You must be
wondering why
I'm the one
telling you this,
right?

I see...
Thanks

I heard from
the nurse that
if your brain
wasn't hurt,
then you can
go home in
2-3 days

You saved
the kid,
right?

...How?

Changed
your
opinion
...?

But you
changed
my opinion

So he
died,
huh...

You
must
have big
eyes to
notice
that

I was there
when it
happened

The truck
driver died
from an
heart attack

...Thanks

"Casual-
ties"...

After that, the
truck rammed
into a warehouse,
so the only
casualties were you
and the driver

I was
just
lucky

Paying
that off
would've
been
tough...

How
nice of
her...

and he said
that you don't
have to worry
about the
delivery car
and the car
you hit

I told the
manager
about this,

I had no
choice,

because
I had
noticed
it

A dream →

I felt that
she's very
responsible,

and even
more mature
than I am

I've always
thought
that
she was
childish,
but now
that I've
talked
with her,

We're not
that close

.....!

I won't have
told you even
if you asked,
Mr. Fujinuma
But, well,

Then
I'll call for
the nurse and
go home

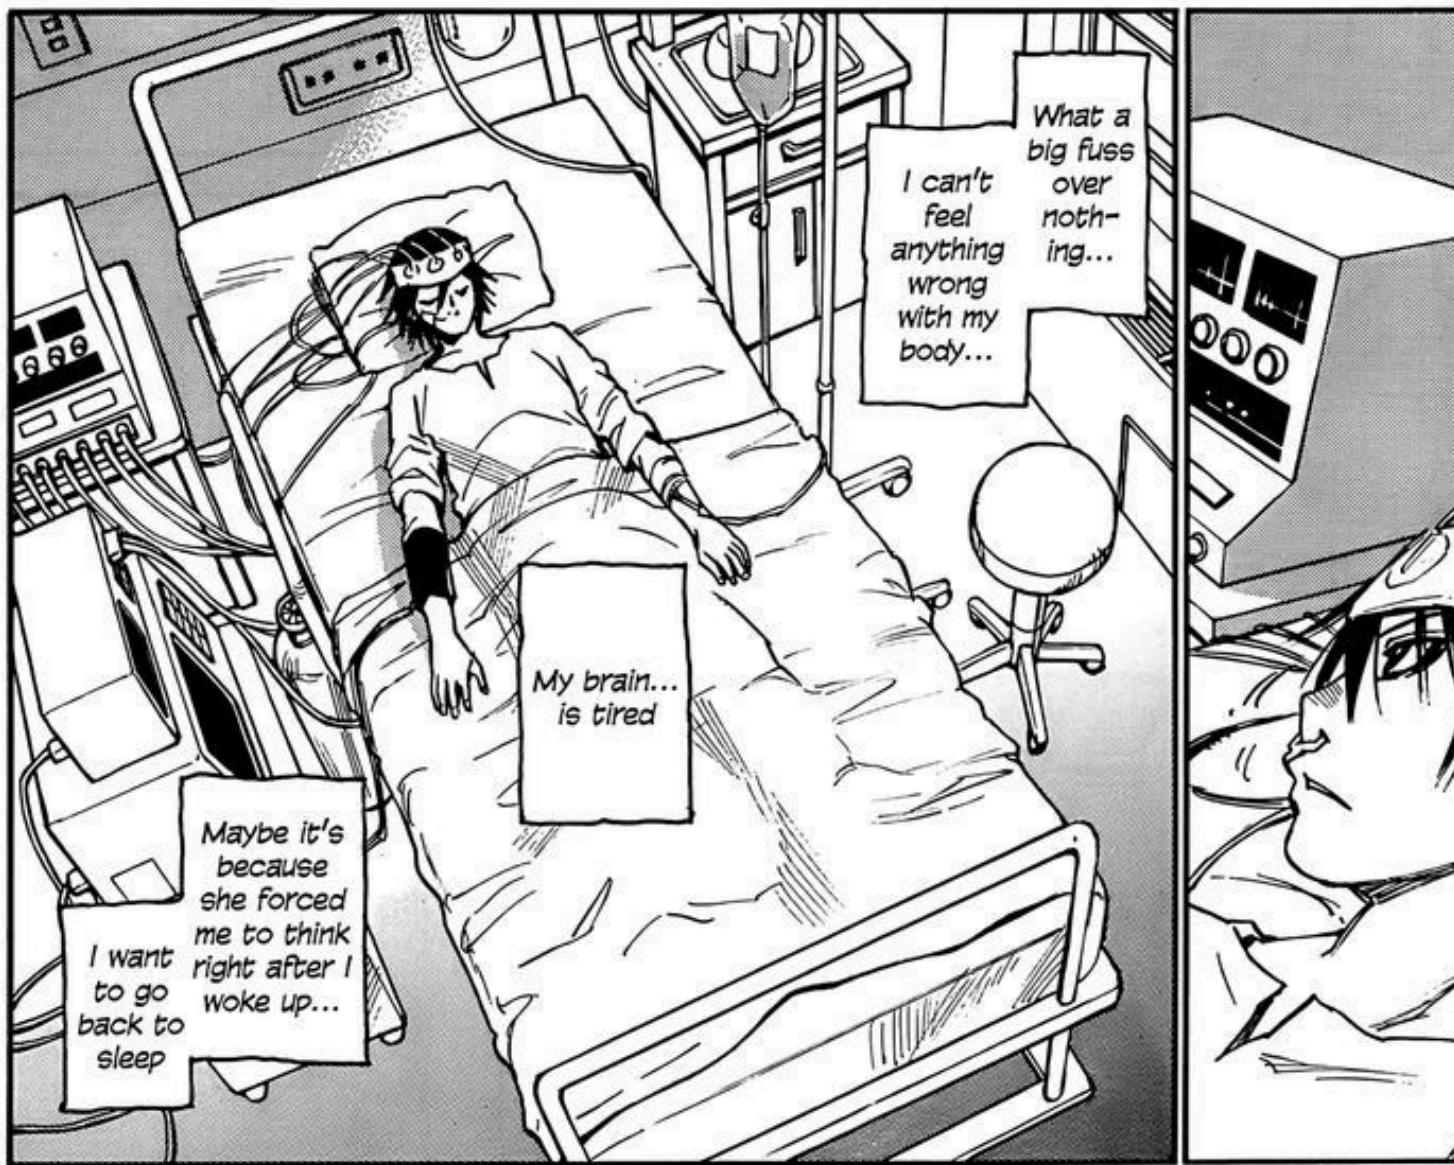

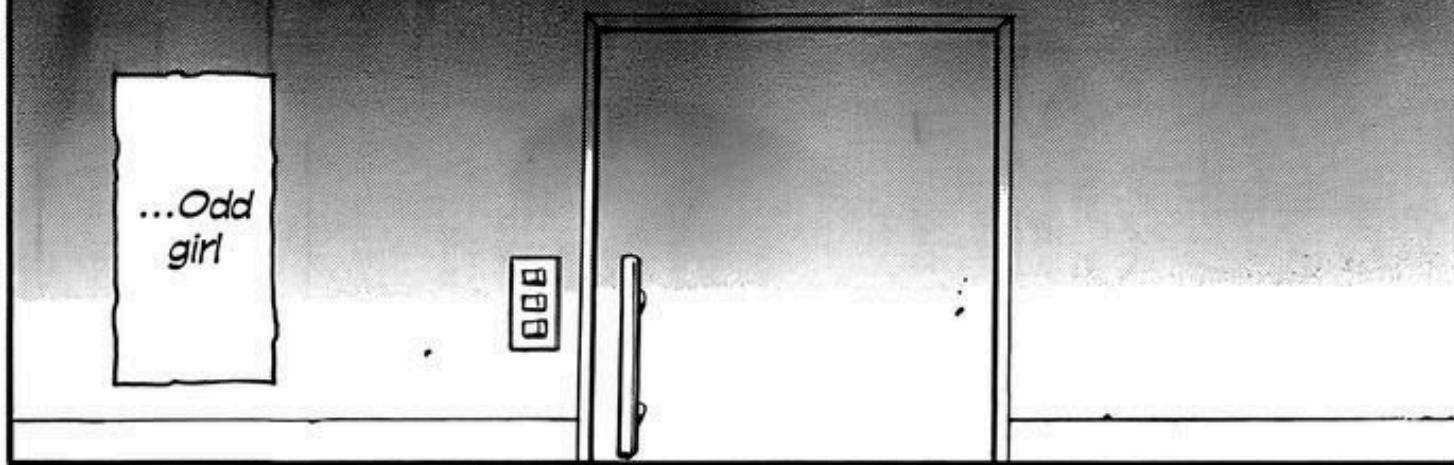

Bye bye

Ah!

I hear
that your
mother is
coming
to visit
tomorrow!

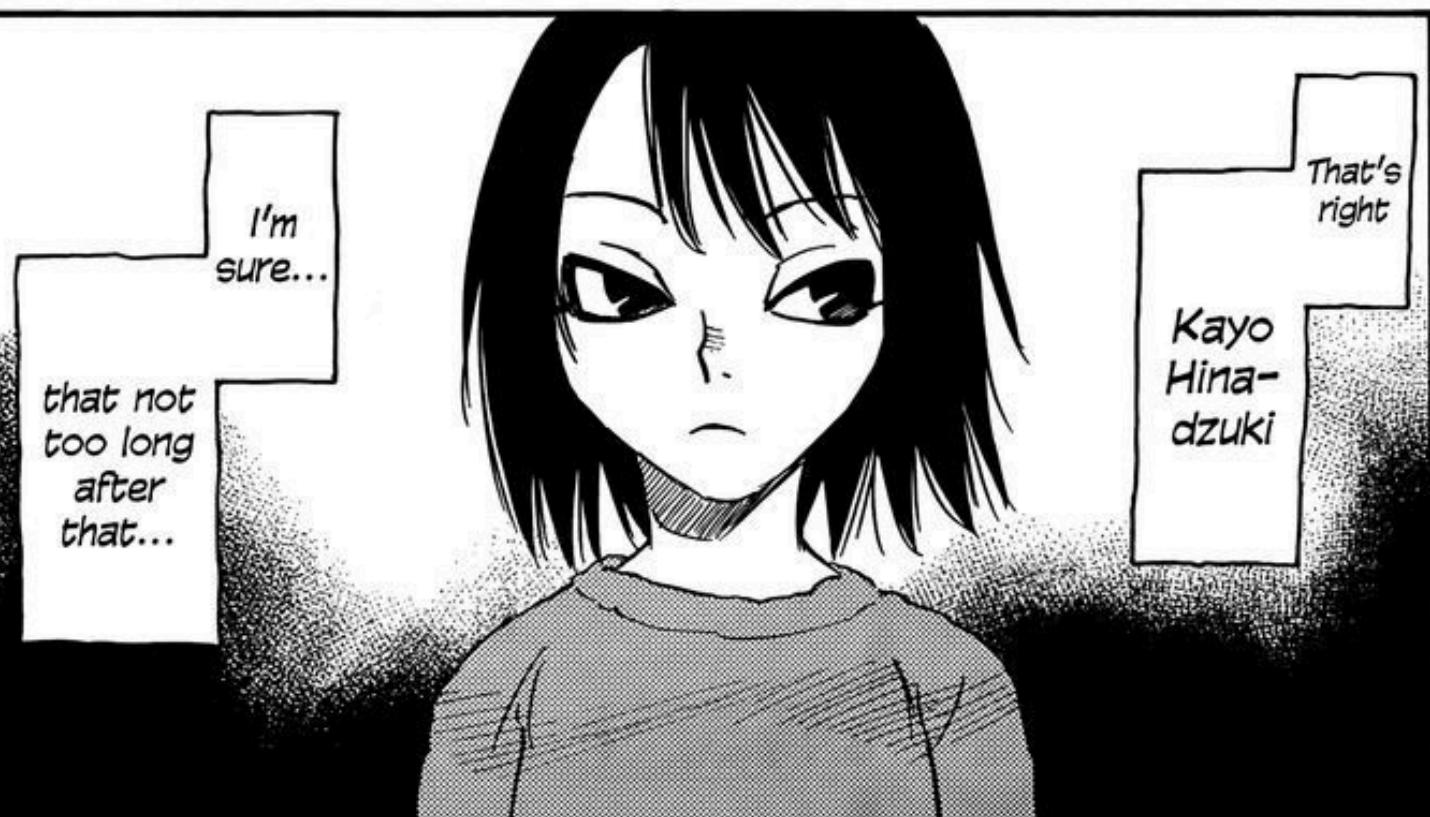

We'll be
busier with
one person
missing

Well, get well
and come
back to
work soon!
